Artist's impression

Everything you need right where you need it.

Westbrook is the largest estate to be developed in the Tarneit-Truganina area. And while size alone is not everything, it means just about everything is right in your neighbourhood.

Look at the Masterplan here, and it will show you how residents are going to enjoy a vast choice of recreation and play areas - in fact over 32 kms of shared paths and trails throughout the estate - plus indoor and outdoor sports facilities, your own school,

as well as two major waterway projects that will enhance the natural beauty of the area. And the shopping will be spectacular with both major retailers and boutique brands creating a large Town Centre near the estate's very own railway station.
